

# SUMMER EXAMINATIONS 2024

## TIMETABLE CLASHES

If you have more than one subject timetabled, to be examined at the same time. The amendments have been made to your timetable.

Clashes invariably mean that when one examination ends you have to be supervised by a member of the invigilation team until your next examination starts.

- You must not leave the examination room unaccompanied.
- You will be accompanied to the toilets by a member of staff.
- During the time that you are supervised you must not have any form of contact with any other students outside the supervision room.
- If you are to be supervised over lunch, you may revise for the next examination during this time – please bring the resources you require.

**Please also bring a packed lunch for this supervision period.**

**YOU ARE STILL UNDER EXAMINATION ROOM RULES AND REGULATIONS. YOU MUST NOT BE IN POSSESSION OF A MOBILE PHONE OR ANY UNAUTHORISED ITEMS DURING THIS SUPERVISION PERIOD.**

Should you have any queries with this please come and see the team at main reception.

If there are any alterations to this arrangement, we will let you know.

Please remember to check your Hwb emails regularly for any updates.

Good Luck

Mrs Katie Joseph  
Examinations Officer
