AYP Leader

Leadership Pathway

A sports leadership pathway has been established to support the development of our sport leaders, in partnership with the secondary schools, community clubs, youth service, play development and leisure facilities. These new and dynamic partnerships provide clear, progressive learning opportunities for pupils to develop their leadership skills to a high standard, making the pathway aspirational for many Sports Leaders.

Applications for current Year 8 only (Year 9 commencing September)

A maximum number of 8 AYP Leader positions are to be allocated within each Comprehensive School. If you require any assistance in completing this application form, please see contact an AYP officer or PE staff.

The candidate must be willing to be a committed volunteer with the desire and potential to become an active leader in the school or a community environment.

The deadline for this application is Monday 15th June 2020. Once complete please can you hand in to your PE office, where there will be an envelope for all applications.
