

Pupil: Form:

Dear Parent/Carer,

We have convenient methods of communication used to share information with you about your child's school life.

ClassCharts – Getting started with ClassCharts

Pupils and parent/carers will be given a code which will allow them to access Classcharts. There is an app which you can download onto your phone or you can use you code to access it on a computer/tablet.

Teachers will put homework into Classcharts and you will receive a notification when it is there. When pupils make a positive contribution or if pupils do something which means that they are not ready to learn or have not done what we all expect, again this will appear in the app.

Parent Account code:

Pupil Account code:

SIMS Parent app – Getting started with the SIMS App

You can access the system from a smartphone, tablet or PC by downloading the SIMS Parent app or visiting: www.sims-parent.co.uk

What will you find in the SIMS Parent app: school reports and access to update your contact details.

Once parental details are in our system we will send you an activation email. Once received please click on the link from your tablet, PC or smartphone to activate your account.

Parent Pay - Getting started with Parent Pay:

Please check your child's school bag during the first and second week of term. Letters will be distributed with information on how to activate your Parent Pay account.

Parent Pay is used for: paying for school trips, consent for school trips, fundraising, school shop. It is not used for school dinners.

Cashless catering – school lunch:

Brynteg School use on-line payments in partnership with the Cashless Catering System. Parents/carers can make payments on line by using a unique cashless code via the Pay It section of the BCBC website: www.bridgend.gov.uk. Free school meals are up to the value of £2.50. If your child wishes to spend more than this, then you will be required to top up the account online. Every child has a unique cashless code. This is not the same as the primary school code.

Your child's unique cashless code is:

For all of the above please view our website (about us page) for guidance on registering:
www.bryntegschool.co.uk

Pupils will be set up with the following:

Hwb pupil emails: Pupil email addresses will be distributed during their timetabled IT class. To access their email account, they can log in via: <https://hwb.gov.wales/>

SIMS Student app – Once a pupil's email has been created an automated invite will be sent to each pupil to register for the SIMS Student app.
