

**Royal Society for Blind Children**

Here is some information on free activities for young people with Vision Impairment. The activities are being coordinated by RSBC (The Royal Society for Blind Children).

They are offering Free Vision Impairment Swimming, Goalball and Baseball sessions.

Currently Bridgend Halo are setting up swimming lessons for children with VI.

Here is the link where families can register their interest - [Sports and Activities for VI children and young people in Wales Survey](https://www.surveymonkey.com/r/RSBCwalesactivities)
