

Head teacher / Prifathro: Mr. Ryan Davies MEd

January 2026

Dear Year 9 parents and carers,

We are pleased to invite you to an online meeting to share information about the exciting process your children will soon be going through - choosing the subjects they will study in Years 10 and 11.

During the online meeting, we will outline the options process and share key dates and information about the support available for you and your children as you navigate this process.

The online meeting will be on **Thursday 12th February**, at **4pm**. Please click [this link](#) to join the meeting, or scan the QR code below.

What other support is available?

- On Monday, 26th January, Mrs Lewis held an assembly for all Year 9 pupils, launching the process and sharing key dates with them.
- Between January and the options choices deadline, pupils will have a series of subject talks where teachers will outline the courses/qualifications we have on offer and pupils can ask questions.
- During the week 23rd -27th February, pupils will be given dedicated slots for a one-to-one session with their form tutor to discuss the process and provide further guidance and support, ensuring pupils understand the options available to them and encouraging them to make choices that fit their interests and strengths.
- Prior to the Year 9 progress evening (Thursday 12th March) the options booklet will be emailed to all pupils, parents and carers. The booklet will include QR codes with links to videos from subject coordinators sharing details of each course/qualification. There will also be a link to the form you will need to complete for your child's options choices.
- As parents and carers, you will have the opportunity to speak directly with subject teachers during the Year 9 progress evening on Thursday, 12th March (held at Ysgol Brynteg).

When is the deadline for pupils to submit their options choices?

- Pupils will submit their final options choices by **Thursday 19th March, 4pm**. They will do this by clicking on the link at the back of the options booklet or by scanning the QR code with the camera on their phone. This will take them to a form where they will select one subject from each column before clicking 'submit'.

We hope to see you at our online meeting **Thursday 12th February** and at the Year 9 progress evening on **Thursday, 12th March**. In the meantime, if you have any queries regarding the options process, please don't hesitate to contact myself, Mr. Wagland or Ms. Holmes-Dwyer (contact details below).

Best wishes,

p.p 

Mrs. Kathryn Lewis
