

5th May 2026

Dear pupils, parents and carers

I am writing to update you on the appointment process for our new Headteacher. Unfortunately, we were unable to proceed with the original interviews as planned. The post has now been readvertised; however, we will not be able to make an appointment until early July.

Because the appointment will take place so late in the academic year, there is a strong possibility that the successful candidate will not be able to take up the post at the start of the autumn term. Our current Headteacher, Mr Ryan Davies, has very kindly agreed to delay his retirement until the end of the autumn term. We are extremely grateful to Mr Davies for making this significant adjustment to his personal plans. His decision ensures continuity of leadership at a crucial time and allows the newly appointed Headteacher to benefit from a structured and supportive transition period in readiness for taking up post in January 2027.

On behalf of the governing body, I want to assure you that we remain fully committed to securing the very best possible appointment for Brynteg. We will continue to work diligently throughout this process to recruit a Headteacher who will build on the school's many strengths and ensure that it continues to thrive in the years ahead.

Best wishes

Rea Stephens
Acting Chair of Governors
