Dear Parents and Carers,

We are writing to remind you of the strict regulations regarding mobile phones during the Year 11 examination period.

As per school policy, mobile phones must be switched off and kept in pupils' bags for the duration of each examination. Under no circumstances should a pupil have a phone on their person.

There have been several recent instances where pupils have retained their phones during examinations. This is a serious breach of exam regulations.

Please be aware that if a pupil is found to be in possession of a mobile phone during an examination, the exam board will automatically cancel their paper. This sanction applies regardless of whether the phone is switched on/off or used.

It is therefore essential that pupils fully comply with these requirements. We ask that you reinforce this expectation with your child to ensure they understand the seriousness of the consequences.

Thank you for your support in helping us maintain the integrity and fairness of the examination process.

Yours sincerely,

Mr Ryan Davies
Headteacher
