

Before the bell:

Supporting the Morning Struggle

FOR PARENTS & CARERS

The Exchange

NeuroPathways
— CLINIC —

The Exchange and NeuroPathways are coming together to address a common and often misunderstood reality for many neurodivergent children. The school day starts long before the classroom door.

Join us for Before the Bell as we explore the realities, challenges, and solutions surrounding school attendance for neurodivergent children. This session will help families understand what's really going on and, crucially, what they can do to help.

Date:

October 20, 2026

Start time: 4:00pm

Ends: 5:15pm

Book now →

This session is not hosted by the school.
It is run by NeuroPathways Clinic.
